2. **Annual Payment Plan:** If you choose to pay the full ten months of tuition by August 1st, 2022, you will receive a 2% discount. Any changes made to the child's schedule that affect pricing after the full payment is made will not be eligible for a 2% discount. You will receive a monthly bill if you take advantage of any additional extended care hours or extra days.
3. **Payment Methods:** Credit Card and Electronic Funds Transfers (EFT) are accepted online for the monthly payment plan using your family portal. Annual payments must be paid with Check ONLY.

Late Payment Fees

Payments not received by the 21st of the month are charged a \$50 late fee. During weekend, vacations and school closures, payments are still to be received by the 15th of the month with a late fee incurred after the 21st.

Academic Calendar

The tuition fees are based on a school year from late August through mid-June. Holidays and school closures are included in the tuition amount and are not discounted in the months they fall within. The summer camp program (mid June to early August) is a separate tuition. Information is distributed with the summer schedule and registration forms in the spring of each year.
